

of those who attend church go to rural churches. We are committed to

Helen Ashbourne

We have a dedicated National Rural Officer who provides advice, consultancy and training for dioceses. Use the contact form at the bottom of this page to get in touch.

Read our new [Learning from Creative Thinking and Planning for Rural Mission and Growth](#) report

How we can help

- Advice and expertise on rural communities, mission, growth, discipleship, and ministry.
- Support for multi-parish benefices and large groups of rural churches
- Training for rural ministry
- We also provide training, resources and practical support for rural churches and congregations with our ecumenical partners through [Germinate: Arthur Rank Centre](#)
- Take a look at [Country Way](#) magazine especially for rural churches.

Find out more about the [Rural Affairs Group](#) and how it helps rural churches and their congregations.
