TO find the Dominical or Sunday Letter for any given Year of our Lord, add to the year its fourth part, omitting fractions; and also the number, which in Table I standeth at the top of the column, wherein the number of hundreds contained in that given year is found: Divide the sum by 7, and if there is no remainder, then A is the Sunday Letter; but if any number remaineth, then the Letter, which standeth under that number at the top of the Table, is the Sunday Letter.
