## “How are Messy Churches maturing as church?”

Come to the launch of **PLAYFULLY SERIOUS**,

a major report on Messy Church from  
Church Army's Research Unit and the Archbishops' Council

Thursday, 21<sup>st</sup> February, room 3, 7 to 8pm

*Playfully Serious* is a summary of a two-year research project. It documents at a high level what we have learnt about the effects of Messy Church, the well-known model adopted by so many parishes to reach young families.
