

OPEN TO ENCOUNTER?

Rethinking Mission with the Anglican Communion

How can the churches of the Anglican Communion learn from each other and be enriched as they seek to proclaim a bold, joyful and confident faith? How can we share together in God's mission globally in a world that faces unprecedented challenges as a result of environmental degradation, large-scale migration and political unrest.

Come and join Revd Duncan Dormor, General Secretary of USPG in conversation with global Anglican leaders.

**Breakfast meeting at 8am
Friday 22nd February
