#### **GENERAL SYNOD**

#### List of Speakers - July 2019

This paper provides a basic summary of statistics relating to the speakers at the July 2019 group of sessions.

The term "contribution" refers to either a speech made in a debate, or a question raised in a presentation. Note:

supplementaries asked during the **Questions** item **have been** included in the totals; and contributions made by the **mover/presenter** of an item **have not** been included in the totals.

## Overview of General Synod

Make up of Genera	l Synod
House of Bishops	52
House of Clergy	200
House of Laity	210
Non-voting	15
Total	477

There were 6 vacancies on the General Synod during the July group of sessions.

# Overall speaking numbers:

	Number of members that spoke	Number of contributions
Bishops	18	28
Clergy	63	86
Lay	59	88
Non-voting	5	8
Total	145	210

By directly comparing the first two graphs you can see that the Chairs called a representative number of speakers from each House. However, if you include the total number of people that did *not* speak throughout the whole group of sessions the graph looks very different:

Seven in ten members of Synod did not speak in any debate, presentation or Questions.
