

**General Synod of the Church of England, February Group of Sessions 2009  
Wednesday 11 February 2009**

**Electronic voting results for Item 14**

‘That this Synod, concerned about the effect on many parishes of sudden, massive rises in water charges for churches, request HM Government to remind OFWAT of its obligations to ensure that the water companies adhere to the clear guidance given by the Secretary of State for the Environment in 2000, which states that “there are many non-household users who are not businesses ... including places of worship ... and it would be inappropriate to charge all non-household customers as if they were businesses”.’
