Electronic voting results for Item 12 (as amended by Item 50)

'That this Synod:

- (a) express its appreciation of the vital role played by those engaged in communicating religious belief and practice through the media, at a time of major changes within the industry; and
- (b) express its deep concern about the overall reduction in religious broadcasting across British television in recent years, and call upon mainstream broadcasters to nurture and develop the expertise to create and commission high quality religious content across the full range of their output, particularly material that imaginatively marks major festivals and portrays acts of worship.'
