**Funding period**

2. The funding period for the purposes of Part 6 of the 2011 Measure is the period which begins with 1st April 2018 and ends with 31st March 2021.

**Amount of payment**

3.—(1) The total amount to be paid by the Commissioners to the Churches Conservation Trust in respect of the funding period specified in article 2, by way of grants under section 57(19) of the 2011 Measure and moneys allocated under section 64(1) of that Measure, is—

**Payments on account**

4. A payment on account of the sum specified in article 3(1)(a), or of an additional amount referred to in article 3(1)(b), may be made only if the Commissioners are satisfied—

- (a) that the amount of the payment is a portion of a sum of money needed by the Churches Conservation Trust, and

**EXPLANATORY NOTE**

*(This note is not part of the Order)*

This Order provides that, in respect of the period from 1st April 2018 to 31st March 2021, the total amount to be paid by the Church Commissioners to the Churches Conservation Trust is a fixed sum of £4,290,000 plus certain additional sums determined in the way described below. The total amount comprises grants made by the Church Commissioners and moneys allocated by them out of the net proceeds of the sale or exchange of churches closed for regular public worship or land occupied by them and the net premiums for the grant of leases of such churches or land.

The additional sums referred to above are determined as follows. If the Commissioners' share of the net proceeds and premiums referred to above exceeds £600,000 in 2018, 2019 or 2020, the amount of the excess is payable to the Trust. But that is subject to an overall cap of £225,000 on the additional payments for the whole of the three-year period.

The Order also provides for payment on account if the amount in question is a proportion of a sum needed by the Trust and if Parliament has approved the payment of the balance of that sum.
