The Revd Stephen Trott (Peterborough) moved the motion in his name:

*That this Synod, noting the Registration of Marriages Regulations 2015 and the growing burden and complexity of the legal requirements imposed on members of the clergy who conduct weddings in the Church of England, invite the Archbishops' Council to bring forward draft legislation to replace ecclesiastical preliminaries to marriage by universal civil preliminaries, such as those which have been in operation in Scotland since 1977, when banns were replaced by a Marriage Schedule issued by the civil registrar. The motion was lost following a counted vote by houses.*

An amendment proposed by Revd Neil Patterson (Hereford) was not carried.

## **THE SAFEGUARDING (CLERGY RISK ASSESSMENT) REGULATIONS 2016 ([GS 2050](#))**

Synod approved today new regulations from the House of Bishops to make provision about how risk assessments on clergy are to be carried out. From March 1, under Canon C30, bishops will have legal powers to direct clergy to undergo a risk assessment. The Canon will also enable an archbishop to direct a bishop holding office in the archbishop's province, or the other archbishop, to undergo a risk assessment. The regulations approved by Synod today, will achieve consistency and contain good practice in the way those risk assessments on clergy are to be conducted.

A risk assessment is an assessment of whether there is a significant risk that the cleric concerned may:

- Harm a child or vulnerable adult
- Cause a child or vulnerable adult to be harmed
- Put a child or vulnerable adult at risk of harm
- Attempt to harm a child or vulnerable adult, or
- Incite another person to harm a child or vulnerable adult.
