

Associate Minister, Diocese of Guildford

I bring to ordained ministry in the Church of England a strong faith and spirituality that is biblical, contemplative and holistic. This is based on an awareness of the ever present love of God, my love for Jesus, scripture, experiences as a nurse/nurse educator (University), Fellow in Leadership Development and Race and Diversity; Caribbean roots, struggles and calling to enable the whole people of God to respond to his call to serve. Having recently retired from my post as an Associate Minister, I now have Permission to Officiate.
