

Happy to mentor individuals of all ages, all churchmanships – all God’s children.

I am an ordained minister in the Church of England with experience of being both a mentee and a mentor. I am passionate about seeing all God’s children grow in their discipleship and vocation. I believe that we all have a vocation and my role will be to prayerfully journey with you on what our Lord might be calling you to be and to do because I believe that vocation and formation are interconnected.

In terms of tradition, I regard myself as Catholic – in the Church of England and I am respectful and appreciative of all traditions, my interests include travelling, walking, eating out and meeting friends for coffee.
