

society we are part of.

We recognise that discerning your vocation can be a daunting process, made scarier by a lack of people to talk to who aren't formally connected to the discernment process. Sometimes it's comforting just to have that solid shoulder to lean on when things get difficult.

We've built a directory of mentors for historically under-represented Christians who can offer support through the discernment process.

Our next Mentor Training dates are:

- 16 January: Training Part I Process
- 18 January: Training Part II Practice (delivered by Su Blanch of 3D Coaching)

You are required to **attend both sessions** to be placed on the directory. These sessions must have a minimum of **8 participant**s to be viable.
