

## Census and deprivation data

We have mapped government statistics onto parish boundaries to produce parish-level census and deprivation information.

- **2021 census data** (excel file, added November 2022): [2021 census data at deanery level](#); [2021 census data at diocese level](#).
- **Summary parish census and deprivation statistics** (excel file, updated January 2022), based on the 2011 census and the 2019 English indices of deprivation. N.B. this dataset can be explored further on the [interactive Church of England parish maps](#)
- **Detailed parish census statistics** (excel file, updated January 2022), based on the 2011 census, containing information about parish age distribution, ethnicity, religious affiliation, and marital status
- **Detailed parish deprivation statistics** (excel file, updated January 2022), based on the 2019 English indices of deprivation

To access further census information please visit the [Office for National Statistics Census webpages](#).

## Church attendance statistics

Statistics for Mission reports provide a summary of attendance at Church of England services, and numbers of baptisms, marriages, and funerals.

- [Statistics for Mission 2021](#) [[2021 diocesan tables](#) (excel)] (published December 2022)
- [Statistics for Mission 2020](#) [[2020 diocesan tables](#) (excel)] (published December 2021)
- [Church at Home 2020](#) (published October 2021)
- [Statistics for Mission 2019](#) [[2019 diocesan tables](#) (excel)] (published October 2020)
- [Statistics for Mission 2018](#)
- [Statistics for Mission 2017](#)
- [Statistics for Mission 2016](#)
- [Statistics for Mission 2015](#)
- [Statistics for Mission 2014](#)
- [Statistics for Mission 2013](#)
- [Statistics for Mission 2012](#)
- [Statistics for Mission 2011](#)

## Parish finance statistics

Finance Statistics reports provide an overview of the income and expenditure of parishes within the Church of England.

- [Finance Statistics 2021](#)

## [Finance Statistics 2020](#)

- [Finance Statistics 2019](#)
- [Finance Statistics 2018](#)
- [Finance Statistics 2017](#)
- [Finance Statistics 2016](#)
- [Finance Statistics 2015](#)
- [Finance Statistics 2014](#)
- [Finance Statistics 2013](#)
- [Finance Statistics 2012](#)
- [Finance Statistics 2011](#)

## [Ministry statistics](#)

Ministry Statistics reports provide a range of statistics about licensed ministers in the Church of England.

- [Ministry Statistics 2020](#) [[2020 diocesan tables \(excel\)](#)] [[commentary from Ministry Division](#)] (published July 2021)
- [Ministry Statistics 2019](#) [[2019 diocesan tables \(excel\)](#)] [[commentary from Ministry Division](#)]
- [Ministry Statistics 2018](#) [[2018 diocesan tables \(excel\)](#)] [[commentary from Ministry Division](#)]
- [Ministry Statistics 2017](#) [[2017 diocesan tables \(excel\)](#)]
- [Ministry Statistics 2016](#) [[2016 diocesan tables \(excel\)](#)]
- [Stipendiary Clergy Projections 2015-2035](#) [[cover note from Ministry Division](#)]
- [Ministry Statistics 2012-2015](#) [[2012-2015 diocesan tables \(excel\)](#)]
- [Ministry Statistics 2012](#)
- [Ministry Statistics 2011](#)
  
- [Lay Ministry Data Project](#) [[commentary from National Ministry Team](#)] (published November 2020)

## [Cathedral statistics](#)

Cathedral Statistics reports provide a summary of attendance at the Church of England's Cathedrals.

- [Cathedral Statistics 2021](#) (published March 2023)

## Cathedral Statistics 2020

- Cathedral Statistics 2019
- Cathedral Statistics 2018
- Cathedral Statistics 2017
- Cathedral Statistics 2016
- Cathedral Statistics 2015
- Cathedral Statistics 2014
- Cathedral Statistics 2013
- Cathedral Statistics 2012
- Cathedral Statistics 2010
- Cathedral Statistics 2009

## Energy Toolkit and Energy Footprint Tool

The Energy Toolkit (which includes the Church Energy Footprint Tool) reports a summary of energy data from church buildings in the Church of England.

- Energy Toolkit Report 2021 (Published December 2022)
- Energy Toolkit Report 2020 (Published March 2022)
- Energy Footprint Tool 2020 (Published November 2021)
- Energy Footprint Tool 2019 (Published February 2021)

## Chapel statistics

Attendance statistics from the College Chapels in Oxford, Cambridge and Durham University.

- Oxford, Cambridge and Durham College Chapel Survey 2018 (published August 2019)
- Oxford, Cambridge and Durham College Chapel Survey 2017
- Oxford, Cambridge and Durham College Chapel Survey 2016
- Oxford and Cambridge University College Chapels 2012-13, summary report
- Oxford University College Chapel Statistics 2013
- Cambridge University College Chapel Statistics 2012

## [Church statistics pre 2011: attendance, finance, ministry](#)

Prior to 2011, Statistics for Mission, Finance, and Ministry statistics were published in a single Church Statistics report. Note that these reports were not necessarily published every year. Reports from 1960 onwards can be found in this section.

- [Church Statistics 2010/11](#)
- [Church Statistics 2009/10](#)
- [Church Statistics 2008/09](#)
- [Church Statistics 2007/08](#)
- [Church Statistics 2006/07](#)
- [Church Statistics 2005/06](#)
- [Church Statistics 2004/05](#)
- [Church Statistics 2003/04](#)
- [Church Statistics 2002](#)
- [Church Statistics 2001](#)
- [Church Statistics 2000](#)
- [Church Statistics 1999](#)
- [Church Statistics 1998](#)

### [Diversity monitoring](#)

Congregational diversity surveys 2014, 2007; Clergy diversity audit 2005.

## Everyone Counts, 2014

Everyone Counts was a congregational survey of 36,000 people carried out in 2014 in 600 Church of England churches as part of a long-term commitment to monitoring diversity within the Church. There was a particular focus on **ethnicity, disability, and locality**.

- [Key findings](#)
- [Methodological overview](#)
- [Fringe meeting presentation \(July 2015\)](#)

## National Parish Congregation Diversity Monitoring, 2007

- [National Parish Congregation Diversity Monitoring 2007](#)

## Clergy Diversity Audit 2005

- [Executive Summary](#)
-
