St John’s Church, Skipton on Swale (Diocese of York)

St John’s church, Skipton on Swale, Thirsk, is a charming stone building, built in the early 1840’s. The Grade II listed building is small village church set in an attractive medium-sized church yard. It is bounded on the south by the former A61 Ripon-Thirsk road, now a quiet village street, on the east and north sides by the driveway to the (former) vicarage and on the west by the former vicarage garden. The boundaries are marked by stone walls.

Mains electricity is via an overhead cable and mains water via lead pipes but the property has no gas or foul drainage (it is understood that there is no mains drainage in village). Heating is currently via wall-mounted infra-red electric heaters.

Parking is available on the public highway but there is currently no off street or allocated parking spaces available for the church. Please note that the exact amount of churchyard to be included in the disposal will require careful consideration and negotiation, and may depend on the proposed new use.

Offers are invited for viable alternative uses. Expressions of interest from those with a viable alternative community use are especially welcome.

Chelwood St Leonard (Diocese of Bath and Wells)
Offers at a guide price of £75,000 are invited for St Leonard's which is a Grade II* listed closed church, sitting within a churchyard containing burials, in Church Lane, just south of the A386 as it runs through the linear village of Chelwood, approximately nine miles west of the centre of Bath. The building is medieval in origin and was heavily restored in the nineteenth century. The church is of traditional construction consisting of different stone types including coursed rubble, sandstone limestone ashlar blocks. The roofs are covered with slate. Internally, there is a nave of three bays with a south aisle. The chancel is of two bays. There are a number of monuments and memorials.

Initial feedback from the local planning authority indicates that non-residential uses are likely to be favoured and potential alternative uses need to be sympathetic to the listed character of the church building. Offers for the freehold are sought, please contact the agent below.

Offers by Informal Tender are invited by 21 March 2024.

Darlington St John the Evangelist (Diocese of Durham)
Built in 1849, St John's is a Grade II listed building in a prominent elevated position adjacent to the Darlington railway station development. The church was constructed from coursed sandstone with a steeply pitched slate roof. The NE vestry has a flat roof (reduced from the original gable). A 20th century brick vestry has been built to the rear of the original. The property provides substantial accommodation totalling approximately 623 sq. m (6705 sq. ft)

Externally the curtilage, which contains no burials or graves, provides a parking area with direct road access from Neasham Road. This is a shared entrance, and a right of way exists to provide access for the neighbouring scout premises and flats.
