

I have been in ministry for over 30 years, starting as a Church Army Evangelist in South London and serving for 8 years in the Midlands as an ordained minister. I am a relaxed person, who is outgoing with a sense of fun and down to earth.

I love ministry, to keep myself sane I go to the gym and drive an MG around the glorious Worcestershire countryside. I also dabble in music and when I have the time painting.

I am available during the week and weekends, by appointment and usually would prefer it if you could come to me. Bromsgrove is on the corner of the M42 and M5.

I would describe myself as being open evangelical, I trained at a liberal catholic college, but sit loosely with liturgical ritual. I am passionate about mission and presence evangelism, and love preaching and meeting and being with people. I have an inclusive theology and approach and see Jesus as being God's big YES to the world.

I have been a priest in Bromsgrove, in a busy civic church for 4 years and served my curacy in a busy civic church in Tamworth.
