

The Social Care Institute for Excellence ([SCIE](#)) has been commissioned to undertake independent safeguarding audits of Church of England dioceses and cathedrals. The diocesan audits were completed in 2019 and the overview report is available [here](#). The reports and action plans from individual diocesan and cathedral audits are linked below.

As a result of the COVID-19 outbreak, the independent safeguarding audits of cathedrals were paused. An update about this is available [here](#).

Other safeguarding reviews and reports are available [here](#).
