

I was born in Nigeria and came to the UK in 2013 after over 10 years studying and working in France. I have an understanding of the church both in Nigeria and France as well as the Church of England.

I am married to Patricia and we are both keen on mission and the role of the church in the community and the wider world. We are keen to see everyone develop and live their lives to the fullest. My passions include mission, church growth and development, social media. I am also a keen supporter of Arsenal FC! I trained for Ordination at Trinity Bristol and was ordained in 2013 after been sponsored by the Diocese in Europe. My initial training and experience as a Town Planner and an Environmental Impact Analyst has equipped me with various skills and experiences, which I would hope will be useful to my mentees.

I am steeped in various Anglican Church Traditions. I could offer monthly meetings in Weybrigde and would be open to mentoring especially BAME men/women; people living with disabilities; and/or anyone who might find my experience useful. As a fluent French and Yoruba speaker, I will love to meet and mentor anyone with this specificity.
