

St Peter's Foundation in the Seaside Parish of Malborough, Salcombe and South Huish.

We offer interns a year in a dedicated house with 1 to 2 others, living in an Intentional Community. This comes with the opportunity to participate in all aspects of the work in the three churches in our Parish, and work with Youth for Christ in schools in the area. Interns will be supported by the clergy in theological study, practical training, time for study and reflection and would be able to explore areas of their own interest. Interns will have mentoring support.

On Tuesdays during academic term time, Interns will join South West St Mellitus, Plymouth, to attend theology and mission courses with other theological students.

Accommodation, travel and living expenses of the residents will be covered by the Foundation.
