

In the Diocese in Europe we draw on both the challenges and opportunities that our Diocese provides to offer a distinctive opportunity for participants - both from the United Kingdom and from continental Europe.

Participants are based at one of our chaplaincies - previous placements have been located in France, Belgium, Netherlands, Switzerland, Denmark, Italy Austria - as well as the opportunity and expectation of participating in a core programme that brings together the whole cohort at various points in the year in key locations, including the Holy Land. Pastoral and Educational mentoring is offered to each person on an individual basis.
