

You will need: paper, paint, scissors, pens.

1. Cut a large star shape out of paper.
2. Talk about how each person is unique and has special things about them to help make the world a brighter place.
3. Get each person so write somewhere on the star what their shining qualities are.
4. Decorate the rest of the star with your unique fingerprints to remind everyone how wonderfully different God has made each one of us and that we all have the chance to shine in different ways.
