Our smart speaker apps are integrated closely with [\*\*\*A Church Near You\*\*\*](#) to help you find out about services and events going on close to where you are throughout the year.

The apps also seek to increase users' knowledge of the Christian faith by answering questions such as:

- What is the Bible?
- Who is God?
- What is a Christian?

Many of the answers draw on material from the *Pilgrim* discipleship course and *The Pilgrim Way: A Short Guide to the Christian Faith* which also feature in the [Our Faith](#) section of this site.

**Watch Chine and baby Keir ask for a Grace before a meal**

## Our future plans

This is an ongoing project, built jointly by the Church's [Digital](#) and [Church House Publishing](#) teams with specialist developer [Aimer Media Ltd](#). We're planning to ensure users can find more answers to faith questions and to explore on other platforms in the future.

The audio content features on the [Church's website](#) as part of the prayer of the day. It will be integrated into [Church House Publishing apps](#) and audiobooks in due course.
