

Reader, Diocese of Leeds

I offer mentoring to those seeking God’s way forward as they partake in the discernment process for ordination and in the time after a BAP whether that leads to ordination or not. I like to bring helpful challenge to allow mentees a reflective space for their personal development. I offer 55 minute sessions every three months but may offer additional sessions. I am interested in sport and beekeeping. I speak English and German. Our worship is evangelical charismatic. I have been a Reader since 2015 and having had a career in medicine now coach professionals particularly those on the edge of burn out.
