

Attend a free Digital Labs webinar to learn how to use digital communications for evangelism and discipleship.

Upcoming webinars

How to use Instagram for your church

November 13, 3pm - 4pm [Register here](#)

How do you create an Instagram account for your church, and what kind of content should you be posting? What could you be sharing this Advent and Christmas? In this one-hour webinar, we'll answer all these questions and more. This session is ideal for those who are new to the social media platform.

AChurchNearYou.com: How to use the platform as your church's free website

November 19, 3pm - 4.30pm [Register here](#)

Are you a new church editor on AChurchNearYou.com?

This extended webinar will cover the features available for individual churches, and after a short break we'll cover the new benefice functionality that could help those of you who edit multiple churches.

[Come along to a live demonstration to gain confidence editing your site.](#)

How to use Canva for your church: Christmas special

November 25, 6pm - 7pm [Register here](#)

Canva is a free design tool which offers a number of great features to help you create logos, flyers, social media posts and more.

In this free webinar, we'll guide you through Canva's essential features, giving you an introduction to the tool and showing you how to create eye-catching content for your church.

[This webinar is ideal for those who are new to Canva.](#)

Special Webinar: Let's create together on Canva

December 5, 11am - 12.30pm [Register here](#)

In this webinar we'll have a special interactive session to get familiar with the essential editing features of Canva while also having fun creating something together. We'll walk through the key elements of the creative process on Canva while giving you a chance to make something relevant to your context. Got last minute Christmas content to work on? Whether you're new to Canva or looking for a refresher, here's a great place to work on it and share ideas with others.
