THE CHURCH OF ENGLAND

Attend a free Digital Labs webinar to learn how to use digital communications for evangelism and discipleship.

Upcoming webinars

How to use Facebook groups for your midweek communities

May 10, 11am - 12pm Register here

Learn how to use Facebook groups for your midweek communities.

Facebook groups are easy to set up, are versatile, and can compliment the groups and ministries already running in your church community.

Join us to learn more about Facebook groups and how you can utilise them.

How to use Instagram for your church

May 15, 7pm - 8pm Register here

Are you looking to reach your local community using Instagram in 2023?

In this webinar, we'll cover how to create an account for your church, what you should be posting, and more.

This session is ideal for those who are new to the social media platform.

AChurchNearYou.com: How to use the platform as your church's free website

Are you a new church editor on AChurchNearYou.com?

This extended webinar will cover the features available for individual churches, and after a short break we'll cover the new benefice functionality that could help those of you who edit multiple churches.

Come along to a live demonstration to gain confidence editing your site.

How to edit a video for your church's social media and website

Learn how to edit a video for your church's social media and website.

In this webinar we will guide you through transforming a short recording into an engaging video using Canva, ready to share on your church's social media channels or website.

This webinar is ideal for those who are familiar with Canva.com.

How to use your Facebook page to serve your church and community

Learn how to create and use a welcoming church Facebook page.

Facebook is still the most popular social media network, with over 2.94 billion monthly active users. But, with so many other pages competing for our attention,how can we cut through the noise to reach our community?

Join us to learn more about Facebook pages and how you can utilise them.

How to use Canva for your church

Canva is a free design tool which offers a number of great features to help you create logos, flyers, social media posts and much more.

In this free webinar, we'll guide you through Canva's essential features, giving you an introduction to the tool and showing you how to create eye-catching content for your church.

This webinar is ideal for those who are new to Canva.
