

The Duke of Cambridge is urging people who are concerned about their mental health to start a conversation, in this week's national online service.

The service, led by Rev Professor Gina Radford, Vicar in Devon and a former Deputy Chief Medical Officer for England, includes a series of prayers for all those whose mental health has been affected, their relatives, friends and carers.

Watch the service

All of our video content is manually subtitled. To turn these on, go to the bottom left of the video and click the filled-in box with two broken lines inside. The service is BSL-interpreted throughout.
