

Kenny Thrower, a security worker in Hull, talks about how he started going to church after they hosted a real ale festival. He was interested in the singing and found the community that existed welcoming.

After speaking with the choirmaster, he joined the church choir and now sings regularly (although he swears he can't sing a note!). Kenny says that the church has given him new friends, new life and is helping him become a better person.

You can find out more about Hull Minster by [visiting their website](#).
