

Information relating to the Past Cases Review 2 which is being carried out in the National Church Institutions, including the offices of the Archbishops of Canterbury and York.

Individuals who wish to make representations to the PCR2 process or who need to come forward with information or make any disclosures regarding church related abuse are encouraged to make direct contact with their diocesan safeguarding adviser. However, recognising that this may not feel safe for those with a lived experience of abuse from within the church, a dedicated telephone helpline - **0800 80 20 20** - operated independently from the church, by the NSPCC, has been set up.
