

I've was ordained in 2014 at Liverpool Cathedral, and have served all my posts within Liverpool Diocese. Along with being a Team Vicar I am also the Bishops Officer for Spiritual Direction for the Diocese. Prior to ordination, I worked as a Teacher in both Primary and Special Needs Schools. I have a Diploma in Psychology and a Master in Christian Spirituality. I have worked within a variety of different traditions, and social/economic areas.

I have always had a passion for 1:1 conversation. As teacher I was also involved in mentoring student teachers. I believe passionately in providing people with a safe, supportive, confidential space to enable individuals to have conversation that will be fruitful, life giving and transformative.

I would hope that by passion for 1:1 work and my knowledge of Psychology and Spirituality would bring different perspectives and insights into any mentoring relationship.

I can be flexible in my availability. In the current climate I would suggest meeting via video conferencing.

In my spare time I enjoy cooking, running and walking in the Lake District.
