

I am a Deanery Mission Priest within Bath and Wells Diocese, and have a special interest in being in the wider community on the edges. We live on the Devon/Somerset border in a rural area.

My spirituality is contemplative and I enjoy engaging with the imagination and theology. I lead retreats and read and write to deepen my own spirituality and contemplation.

I am a Self Supporting Minister and would particularly like to listen to those working in or considering SSM and if helpful I'll share my own experiences of SSM ministry.

I have a background in business and am founder of a medical charity which sent recycled medical equipment to some of the poorest countries in the world for a decade.

Michael is originally from Malaysia and we have been married for forty plus years. We have three adult children, two boys live in the United States and our daughter lives with her family an hour away.

I have many hobbies and passions beekeeping, walking with my dogs and donkeys provides wonderful ways to be out in the wider community. I enjoy sailing, reading, gardening and reflecting in the the big outdoors and feel a sense of connectedness to the creator. As a family we are widely travelled and I enjoy cooking with a particular interest in SE Asian cuisine.

I look forward to listening to where you are on your own unique journey and calling.
