

Learn how to improve giving and generosity in your church.

We hold regular webinars to cover the basics of Digital Giving from Contactless to Connectivity. They are suitable for churches new to these mechanisms and also an opportunity for others to ask questions and expand on their knowledge. Please register at the zoom links below.

If you can't make it to any of the webinar dates but would like to receive the recording, please get in touch at digitalgiving@churchofengland.org.

Upcoming Webinars:

Introduction to Online Giving

Take the first steps in setting up online giving for your church, including QR codes, web campaigns, accessing reports, and gift aid data. It will be helpful for newcomers to online giving, and an opportunity for others to ask questions and think about how to optimise their online giving.

3pm, Wednesday 8th May: [register here](#).

Understanding Connectivity

Find out about the connectivity options available to your church - from WiFi to 4G - how to get your contactless devices connected, and what to do if you have none at all. We will be going through the connectivity options in relation to digital giving, and how it can be optimized to make it easier in your church.

11am, Thursday 13th June: [register here](#).

Getting Started with Contactless

Discover the Contactless Devices and opportunities for your church to make the most of cashless giving. It will be helpful for newcomers to contactless giving, and an opportunity for all to ask questions.

Buying smarter

Good stewardship is not just about enabling giving. It's also ensuring that we spend our resources and our time wisely.

Getting to net zero carbon

A series of webinars hosted by the Environment team is designed to support and equip you to reach the Net Zero Carbon emissions target. You'll learn everything from forming your team to putting solar panels on your roof, and including low cost 'housekeeping' actions which can pay back quickly.
