

The work of Growing Faith was developed and expanded between 2019 and 2021. In February 2022, the Growing Faith Foundation was created. It is based in the Education Office so that seamless cooperation and shared vision and resources can be developed.

By September 2022 the Growing Faith team was in place, with the Networks Lead, Partnerships Lead and Programmes Lead joining the Head of the Foundation.

## Find out more:

For an overview of the work of the Foundation across our four work streams, take a look at this booklet:
