

The Ministry Experience Scheme is locally led, so every diocese will have their own distinct flavour. Where will your journey take you?

Find the best Ministry Experience Scheme for you by using our map of all current schemes available. Click on a marker to find out more about a particular scheme and use the webform on the scheme page if you'd like to express an interest.

Some of the schemes shown are still working out details but can be contacted using the form. It is anticipated that other schemes (not yet shown) will be added on an ongoing basis - so please keep checking for the latest updates.
