### A message to remember them by:

" My heartfelt condolences to Her Majesty the Queen and the Royal Family for the loss of HRH Prince Philip. An extraordinary man who exemplified commitment and duty to all around him. He has left a wonderful legacy in the Duke of Edinburgh Awards and campaigns for wildlife and the environment. A life lived well and to the full, selflessly and courageously. Inspiring and admired. We have been privileged to have him as a representative for our country, a unifying ambassador around the world. "

A message to remember them by:

" In an age when some may see humanity at it's lowest; when we see people being selfish and foolish, especially with regard to covid, we can acknowledge that we've lost a man whose wisdom, selflessness, kindness, his love for his country, monarch and family were surely unequalled. His country loved him for all of these things and even more so for his healthy application of caustic insightful wit. "
