

There are eight underground garages on The Hyde Park Estate.

They are located under the 1960s buildings, including:

- 1 Hyde Park Square
- 1-34 Clifton Place
- 10-72 Sussex Square
- Devonport
- 25 Porchester Place
- The Quadrangle
- Water Gardens North
- Water Gardens South

All the garages have access via a fob entry system permitting access through electric gates. They permit 24 hours access with porters maintaining security. They are laid out with open parking bays and a space is allocated once chosen. There are lock-up garages in 1-34 Clifton Place and 10-72 Sussex Square, however, given they were built in the 60's, some modern cars do not fit within the garage.
