

'It's a story told at pace - a run not a jog. Because it's the story of God on the move through his people for the sake for the world.' That's what Justin Welby, Archbishop of Canterbury, has to say in the foreword of a new book by Roy Crowne from HOPE Together.

Here's HOPE is an amazing record of what Christians have done in mission in the UK as part of HOPE Together over the past 10 years. It's both a history and a handbook, with hundreds of true stories giving inspiration and practical ideas for churches to use to make Jesus known with words and action together. As HOPE's president Roy Crowne says: 'This is our story...' Copies are available to order from the [HOPE shop](#).
