

Weekend LyCiGs are a bit more difficult for clergy but good for lay leaders who work. In addition to this we have been approached by a couple of dioceses concerning growth as we come out of lockdown.

So we have combined opportunity and request to run a LyCiG light - 'Growth out of Lockdown'. Please have a look at the [leaflet](#) and, if you think it would be helpful to any of your churches or to your diocese, pass it on. If you yourself have never experienced a LyCiG and would like to get the feel then you might like to try it yourself.
