

Each month we print powerful testimonies of people who have had an encounter with Jesus. These might be ordinary Christians, ex-convicts, celebrities or sports men and women. We also print stories on how science is proving the Bible to be true and have regular articles such as film reviews, and a look at the current news. Good News is only 15p per issue (plus p&p) and can be used in a variety of ways, including door-to-door work, given away in open-air or at church groups, etc. Many readers leave copies in doctors' waiting rooms or local cafes or hairdressers. The paper is a fantastic way to share the good news of the Gospel with your friends, family, neighbours and in your communities. In a world full of bad news – isn't it about time they had the good news?
