

This year's Generosity Week is Sunday 29th September - Sunday 6th October, but feel free to use any of the resources below any time.

The official dates cover two Sundays to give churches double the opportunity to explore generosity when they meet on a Sunday – one to consider God's generosity to us and the other to prayerfully work out our response to that generosity.

You can run a Generosity Week in your church to coincide with your Harvest Festival, but if that doesn't work for you, don't let it put you off. We are called to be generous 365 days a year, so run it whenever suits you!

Take a look below at the various resources your church might use during a Generosity Week. You may wish to use all the resources available or just a selection.

Overview

To help you start promoting Generosity Week and begin planning, take these four steps:

1. **Pick a week** - the national week runs from Sunday 29 September to Sunday 6 October but if another time works better for you, do it then.
2. Contact your local [Diocesan Giving Advisor](#) for help and advice.
3. **Choose what to do** - think what your church needs, look through the resources available, consider how much people can help and choose between one and three activities.
4. **Plan your Sundays** - two Sundays works well as it gives you one chance to explore gratitude and one to consider generosity. To get you started, there are service outlines, sermon starters and prayers – all generosity themed.

What happens after Generosity Week?

Generosity doesn't end after Generosity Week. Generosity is at the heart of our faith and we need to continuously consider the steps needed to build a generous church. We have created the following resources to help guide your church:
