The Ethical Investment Advisory Group (EIAG) supports the Church Commissioners, the Church of England Pensions Board and the CBF Church of England Funds (managed by CCLA).

We provide timely and practical advice to the three National Investing Bodies (NIBs) to enable them to invest in a way that is distinctly Christian and Anglican.

In particular, our advice relates to:

- Assets, sectors or markets in which it would not be appropriate for the NIBs to invest
- Stewardship of the NIBs’ investments (including voting and engagement)
- Relationships with managers and other investors
- Policy issues.

Read our Policies, the EIAG’s Terms of Reference (2023), the Nominations Committee’s Terms of Reference (2018), Code of Conduct and the EIAG’s latest annual review.
