We provide timely and practical advice to the three National Investing Bodies (NIBs) to enable them to invest in a way that is distinctly Christian and Anglican.

In particular, our advice relates to:

- Assets, sectors or markets in which it would not be appropriate for the NIBs to invest
- Stewardship of the NIBs' investments (including voting and engagement)
- Relationships with managers and other investors
- Policy issues.

Read our Policies, the EIAG’s Terms of Reference (2023), the Nominations Committee’s Terms of Reference (2018), Code of Conduct and the EIAG’s latest annual review.
