Resource: Cheeky Pandas, MYCN and Minecraft church

Tuesday 30th April, 2-3pm

Join us for an informative session on resources to help you grow your children and young people's ministry. In this session we explore the 'Resource' part of our [PRAY acronym](#).

We'll be hearing from three speakers about:

- Cheeky Pandas as a resource for children's worship and discipleship,
- Minecraft Church as a tool for connecting with young people through gaming, and
- MYCN on training and support available for churches looking to grow their ministry with children and young people.

There will be time for Q&A after each speaker.

All round training for every volunteer youth leader

Wednesday 12 June, 2-3pm

Discover how your diocese can partner with Youthscape to invest in volunteer youth leaders, helping them to flourish and disciple their young people.

Youthscape Essentials works with dioceses to get this 'essential' training off the ground, to equip and encourage volunteers for youth ministry.

This webinar will help:

- Understand what a Youthscape Essentials licence consists of,
- Outline next steps for partnering with us and
- Provide space for Q&A.

Ideal for diocesan staff, Youth & Children's Officers, clergy and youth workers.
