

Up until now the Church of England has produced podcasts only for people who are already involved in church. We are piloting some podcasts which will tell good news stories about Christians that we hope will act as a kind of gentle pre-evangelism, and the first of these is now live. We would be so grateful if you would share this and ask others to do the same, as broadly as possible. And if you have any feedback, positive or negative, we would be glad to hear it.
