

The Commission's aim is to develop a radical and inspiring long-term vision for care and support in England so that everyone can flourish. Whether you draw on care and support, work in the care sector, care for a neighbour or relative, or have ideas about how care and support could be different, we want to hear from you.

- Thank you for taking the survey, which is now closed
- We will be analysing responses and following up with people who took part very shortly
- If you didn't have a chance to respond but would like to be in touch with the Commission, please [get in Contact with us](#).
