FAQs

What if I miss a training session?

We run two days for each training session, so if you will miss one you can switch to the other session.Â

If you have missed the last of the two available sessions, we are happy to move your application to the next year's cohort but all sessions must be attended.Â

Will the training sessions be online or face to face?

All training sessions will be online.Â

What should I do if I am unwell before my shadow or sign off inspection?

Please contact the National SIAMS Team on SIAMS@churchofengland.org and they will manage the logistics to reschedule your shadow or sign off inspection.Â

What will happen if the inspector is ill before my shadow or sign off inspection?

The National Team will manage the logistics and keep you informed.Â
