

Every church is at a different stage in its generosity journey. Our range of resources reflects those differences. Explore below and in the side menu.

- The [Generous Church Review](#) is a detailed 'deep dive' and requires time and commitment.
- By contrast the [Generous Church Check-up](#) is more of a snapshot – some churches like to do it every year to take their pulse on this important area.
- The [Generosity Fika](#) takes half a day and is aimed at any small group – home group, PCC or any other interested parties. It is helpful in identifying strengths and areas of improvement.
- [Generosity Week](#) happens every year in September and is supported by the national church.
