

It is really important that as a worshipping community, we can recognise and respond to all forms of abuse. Stalking is a behaviour that can form part of domestic abuse.

Today's video and live session from Gloucester focuses on the prevalence and impact of stalking.

Resources

- Join services today at 10:00 (1 December) in Gloucestershire and nationally as they explore the reality and impact of stalking. [Get your free tickets now](#) and join the conversation.
- Further advice and support on stalking and harassment is available from [Women's Aid](#) and the [National Stalking Helpline](#).
