

Yashua Sohail, Immersive Member at the Community of St Anselm, leads our Service for the Fourth Sunday of Advent.

Join us from The Crypt Chapel, Lambeth Palace, where Rev Shannon Preston is preaching on 'The message of joy we are waiting for.'

This video is manually subtitled. You can turn this on by clicking on the CC icon at the bottom right of the video. A red line will appear under the icon when subtitling has been enabled. The service is also BSL-interpreted throughout.
