

The draft texts, proposed by the bishops of the Church of England, will be considered by General Synod in February alongside other proposals in response to a six-year process of listening, learning and discernment on questions of identity, sexuality, relationships and marriage known as *Living in Love and Faith*.

The bishops have also made a direct public apology to LGBTQI+ people for the way in which the Church has rejected or excluded them, admitting: “We have not loved you as God loves you, and that is profoundly wrong.”

The apology is set out in a pastoral letter from the bishops of the Church of England which also recognises that they disagree over same-sex marriage and proposes a way forward which could be put in action within months.

A report - *Living in Love and Faith: A response from the Bishops of the Church of England about identity, sexuality, relationships and marriage* – sets out the bishops' proposals and recommends areas for further work.

There is also a book of draft worship resources – *Prayers of Love and Faith*. It is a range of prayers and readings which could be used in a church service, such as a Service of the Word or a Service within a Celebration of Holy Communion.
