This consultation has now closed. As objections were received against the draft Scheme, the case was considered by the Mission, Pastoral & Church Property Committee at its meeting on Wednesday 27th September 2023. The Committee decided to defer the decision and seek further information before making a final decision.

An on-line hearing has now been arranged for **Wednesday 13 December** and the Hearing papers are available above.

The Committee decided that the draft Scheme should be allowed to proceed notwithstanding the representations made against it, and a full statement of reasons for that decision will be sent to all who made representations and all interested parties in due course.

All correspondence received by the Commissioners will be treated as public correspondence.
