

Are you a conservation expert looking for a new challenge? Would you relish the opportunity to help ensure the long-term protection and sustainability of our nations' wonderful churches and cathedrals? Would you like to enhance your professional development by engaging with unique situations in special buildings that need bespoke solutions?

The Cathedral and Church Buildings Department of the Church of England (CCB) is the national resource supporting the use, conservation and development of the Church of England's 42 cathedrals and 16,000 parish churches (12,500 of which are listed) for worship, mission and community engagement. CCB would like to hear from people with the time and skills to serve on some of our voluntary expert committees.

Further details can be found in our [Recruitment of Committee Members](#) document.

To express your interest, please send a CV and covering letter to churchcare@churchofengland.org. Please indicate which committee you are interested in. Please send your application to arrive by 23.59 on 5th January 2024.
